

THE CAKE BOUTIQUE

A hot trend right now are cupcakes - gourmet cupcakes. The cupcakes are artfully decorated, ridiculously expensive and absolutely delicious. These "Gourmet" cupcakes have arrived in Tucson at the Cake Boutique in the Plaza at Williams Center. As the name implies, Cake Boutique specializes in cakes, but it also has tapped into the cupcake phenomenon, at $2.75 each. The gamut of Cake boutique offerings include: wedding cakes, butter cream & stacked party cakes, fondant party cakes, shaped / sculpted cakes, purse cakes, mini cakes and petit fours, cookies and brownies.

The Cake Boutique has the very best in state of the art baking and decorating technology. A steam injected convection oven and food grade inkjet printing machine for photographic printed surfaces are just two of the 19 pieces of kitchen equipment. The entire bakery is 1820 square feet and includes refrigerated glass display cases, a private office, walk-in cooler and freezer, an accessible toilet room, and a storage area.
