

CHIROPRACTIC USA (MOUNTAIN VIEW CHIROPRACTIC)

Dr. Robert S. Watson, D.C. (or as his patients call him, Dr. Steve) believes the power that made the body heals the body, a core principal of traditional chiropractic. The chiropractic adjustment can restore vital nerve flow to the body, allowing it to heal, without the use of drugs or surgery. Studies have shown that chiropractic is one of the most effective treatments for neck pain and back pain, but chiropractic is also effective in the treatment of: headaches, numbness, sciatica, TMJ disorders, herniated discs, and carpal tunnel syndrome.

This tenant build-out included a waiting area, administrative area, private office, open treatment area, toilet room, an X-Ray room, and a dark room. The suite is 1200 square feet total.
