

## ED WILLIAMS SLEEP CLINIC / VENTANA VIEW DIAGNOSTICS

Ventana View Diagnostics is a sleep clinic that helps diagnose sleep disorders including Insomnia, Sleep apnea, Narcolepsy, and Restless legs syndrome. Diagnosis and evaluation of treatments can begin with the referral of a physician. This space was designed with four sleep rooms, an ADA toilet room, an employee toilet room, offices, linen closets and a waiting area. The suite tops out at 1074 square feet.
