U OF A SOFTBALL MONUMENT

The University of Arizona softball monument is a project in keeping with Bright Design Associates continued service to the community. The monument recognizes the University Softball team members who went on to make international sporting contributions as Olympians, as well as memorializing Coach Mike Candrea's wife, Sue Candrea. The design evokes the Olympic spirit and the lofty achievements of our athletes, while acknowledging the strong base of support these athletes used as a springboard to success.

The donation of design services by the firm, initiation and coordination by the Arizona Builders' Alliance and construction by TL Roof were all integral pieces of the successful product.
